I recommend that our library subscribe to the following journal:

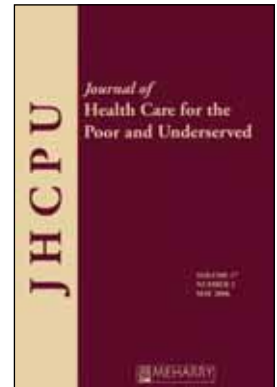

Journal of Health Care for the Poor and Underserved
The Official Journal of the Association of Clinicians for the Underserved (ACU)

Editor: Virginia Brennan, *Meharry Medical College.*

ISSN: 1049-2089 / E-ISSN: 1548-6869.

Published quarterly in association with Meharry Medical College.

Please visit <http://press.jhu.edu/journals> for more information.

Important uses of *Journal of Health Care for the Poor and Underserved* would include:

- REFERENCE:** For current research articles as I find them through citations in related journals or books.
- STUDENT READING:** I plan to scan the contents of new issues regularly to add to my students' reading lists.
- PUBLICATION OUTLET:** My current research requires a publication outlet in this area. I need this journal to keep up to date with its editorial direction and interests.
- PREDICTED BENEFIT FOR LIBRARY:** My evaluation of this journal's content and direction is very high and it is cited and/or indexed heavily. Including this journal in our library will, in my assessment, add to the library's success in fulfilling overall department, faculty, and student needs.
- PERSONAL AFFILIATION & DISSEMINATION:** I regularly receive my own personal copy of the journal and will be recommending articles on a regular basis to students and colleagues. The library's help in providing this material is most appreciated.
